SCHOOL YEAR IN DUBUQUE...

THE BEGINNING....

On August 24 at 9:00 a.m., the University of Dubuque opened its doors to the 1986-87 school year by welcoming 120 on-campus freshmen. Their arrival announced the kick-off of New Student Days, an annual event centered around the freshmen and transfers new to the University. Filled with activities such as the Scavenger Hunt and Freshmen Olympics, New Student Days gives the University of Dubuque the opportunity to introduce itself to

the students, and gives the students the opportunity to introduce themselves to each other.

New Student Days requires much student involvement, time, and organization to be successful. Led by Chairperson Brenda Krumviede, 45 upperclassmen planned for many months in advance to make this year's New Student Days the best the University ever saw!

Hawaii in Dubuque

With a warm ALOHA, the University of Dubuque welcomed back the alumni during Homecoming, October 10-12. Centered around a Hawaiian theme, Homecoming encouraged the UD community to pull on their Hawaiian shirts, their grass skirts, and dig out their surfboards to celebrate Homecoming 1986!

As in the past, Homecoming activities filled each day of the week, with events such as: beach movies, a banner contest (won by the Zetas), a vol-

leyball tournament, Games-on-the-Quad, a hog roast/luau, pep rally, ice-cream social, Beach Party dance, golf open, the "Fun Run," a tailgate party before the football game, and, of course, the Homecoming Dance and Banquet at the Julien Motor Inn.

UD's Hawaiian Homecoming was a success due to the hard work and long hours invested in this annual affair by Alumni Director Louise Welp, Homecoming Chairperson Sue Dziekanowski, and many others.

Triumphant Spartans!

The University of Du-
buque Spartans, looking for
their first home victory as
well as first season victory,
broke the ice with a stun-
ning 30-14 Homecoming
win over the Peacocks of Up-
per Iowa on October 11.

The Spartans got on the
board first with 12 first-
quarter points resulting
from a three-yard run by
senior Terry Lambert and a
20-yard pass from Steve
Bercier to Ken Morton. The

Spartans led 18-0 at half-
time, after Lambert ran for
another touchdown.

The second half opened
with UD marching 64 yards
and another rushing touch-
down by Lambert. The lead
increased to 30-0 when Re-
ggie Walker caught a 33-
yard Bercier touchdown
pass.

The win marked an im-
pressive offensive showing
by the UD Spartans.

Guests and Lecturers Visit UDubuque

Heritage Day, an event honoring those who have named the University of Dubuque in their will, was celebrated on October 16. The day's activities included a morning chapel service and campus tour, an after-

noon program and a ride on the "Spirit of Dubuque." The closing event was an evening dinner, which was highlighted by a performance by the University's Collegiate Singers.

RIGHT: UD alumnus and Mississippi River Historian William "Steamboat Bill" Petersen was among the presenters in the afternoon program.

Iowa's Governor

In conjunction with his 1986 re-election campaign, Governor Terry Branstad visited the UD campus on October 22nd to give a brief presentation and answer questions posed by the audience.

Branstad was elected governor in November 1982. Throughout his four years as governor, Branstad has committed many hours to finding new jobs for Iowans. Believing that high technology is a valuable source of employment after graduation, Branstad stated during his UD presentation that he had worked hard to introduce new businesses to Iowa to improve our industrial status.

The presentation and answer session allowed the UD community to become informed of Governor Branstad's views and policies. Branstad was re-elected on November 4.

Jesus is the Reason for the Season

Candlelight Service

Blades Chapel was the setting for the annual Service of Lights, held on December 14, 1986. With the theme, "Jesus is the Reason for the Season," the special Christmas service was led by an all-student ensemble. The students stressed four virtues - faith, peace, love, and hope - through scripture readings, poetic readings, and carols. The audience was seated around a large wooden cross, inlaid with hundreds of gold-

en votive candles and decorated with a white carnation, mistletoe, a red rose, and a pine branch. The program was interspersed with songs from the University Singers and the Dubuque Symphony Orchestra String Quartet. The participants and audience were invited to enjoy refreshments at the 'Birthday Party for Jesus' immediately following the candlelight program.

ABOVE RIGHT: During the Christmas service, the University Singers lead the audience in singing "What Child is This."

UDUBUQUE

Squeezed in between the late-night cram sessions and the last-minute work spent on papers and reports is the time spent with friends. When we get together, we socialize, chat, reminisce, gossip, and party. We go out, cruise around, bar hop, and party. It doesn't really matter what we do... just as long as we do it with our friends.

Alpha Phi Omega

Alpha Phi Omega is a national co-ed service fraternity founded in 1925 at Lafayette College in Easton, PA. Pi Beta is the University of Dubuque's chapter. Members of APO must possess three cardinal principles: leadership, friendship, and service. Service is the most important of the principles and includes service to the nation, community, campus, and individual members of the fraternity.

Fall service projects included: helping move the Dubuque Chorale, addressing flyers for Frank Belcastro, cleaning up after home football games, big brother/big sister programs, teeter totter marathon for Hills and Dales Child Development Center, Coin Toss for the Stengle Scholarship given annually (Mike Briggs, recipient), sponsoring the Pie-in-the-Eye Contest, decorating for Homecoming festivities at the Julien, working at Camp Courageous for National Service Day, and helping at the Blood Drive.

Spring projects included: MDA bowlathon with Loras' APO chapter, and selling carnations for the Stengle Scholarship at Valentine's Day.

Officers for 1986-87: President, Gilbert Korthals; Vice President of Service, Deb Beck; Vice President of Membership, Tim LeClere; Treasurer, Carol Silveria (1st semester), Tina Sweeney (2nd semester); Secretary, Suzanne Rubie (1st semester), John Praska (2nd semester); Sergeant-At-Arms, John Collins (1st semester), Angela Thacker (2nd semester); Alumni Historian, Kim Schemmel (1st semester), Karla Grant (2nd semester); Stengle Scholarship Chairman, Kathy Smith; Public Relations, Bridget White; Fellowship, Frank Peterson (1st semester), Rob Gallagher (2nd semester); and Frat Boy (FB.), Kathy Smith (1st semester), Dee Koenig (2nd semester). The main purpose of the Panhellenic Council is to organize the sorority "rush" period. The council also provides an opportunity for the three sororities to work together to accomplish common goals.

International Friendship Club

Each year the International Friendship Club sponsors the annual International Potluck; this year it was held November 23. Although it was a busy time of the semester for both students and professors, there still was a large turnout that filled all of Peters Commons. There were an abundance of foreign dishes to enjoy, all prepared by the many UD international students who used a wide variety of spices. Not only was the food plentiful and varied, the entertainment was, too. The international students' performances ranged from traditional fan dances and popular Japanese songs to a Syrian student playing "Jingle Bells" on the harmonica and the many Taiwanese nursing students who sang their favorite national songs in Chinese.

Collegiate Singers

The Collegiate Singers were formed in 1971 by Associate Professor of Music Dennis Williams. This popular show choir has traveled extensively throughout North and Central America, serving as goodwill ambassadors for the University of Dubuque.

The Singer's unique, vibrant form of showmanship has led them to television and radio appearances both in and out of the United States. This year,

the choir was chosen to be guest performers at Disney World in Orlando, Florida. This will be the highlight of another tour of the deep south.

The Collegiate Singers bring together talented student singers and instrumentalists, choreography, show tunes and popular music, to offer an outstanding variety of musical experiences.

Flight Team Soars High

The University of Dubuque Flight Team competes in various flight competitions during the school year. Mankato State University in Mankato, Minn., was the sight of such an event on the weekend of October 16-17: the National Intercollegiate Safety Convention Region V Aviation Championships.

Three traditionally strong flight teams took the top places in the competition with the University of North Dakota placing first, St. Cloud State University second and Mankato State third. The third, fourth and fifth place teams were separated by just 25 points.

A number of University of Dubuque aviation students were placewinners in the various categories of flight expertise. In the Straight Power Off Landing Event, Karl Uhlenhopp, Robert Hardy, Frank Peterson, and Brian Forsberg finished 4th, 18th, 19th, and 23rd, respectively, in a field of 31 participants. Mary Maguire finished 12th in the Short Field Landing Event, while Rick Leonard and Brian Forsberg finished 17th and 21st in the field of 32. Tom Kahle and Karl Uhlenhopp competed in the Cross Country Navigation Event and finished 7th and 9th out of a field of 16.

UD also has Alpha Eta Rho, an international aviation fraternity open to students interested in that field. Having 21 active members, Alpha Eta Rho initiated the following members in November: Alan Birdsall, Tom Brown, Tim Glowacki, Bob Jones, Brad Miller, Mary Pregler, Keith Rasimus, and Carla Williams.

New Student Days? What is it? New Student Days at the University of Dubuque is a way of welcoming freshmen and new students to the University and making them feel at home.

A committee of 46 dedicated people returned early from their summer vacations to attend workshops. They helped to make New Student Days go especially well and made the new students feel very comfortable in their new surroundings. The committee members worked so efficiently that it was difficult to keep all 46 of them busy.

On Sunday, the committee helped the freshmen and new students move into their rooms. That afternoon, the

improved Olympic Games were held and in the evening there was a picnic at Eagle Point Park. Monday and Tuesday brought various activities for the new students, such as: a City of Dubuque Tour, hypnotist Jim Wand, the New Student Banquet, a new style of Scavenger Hunt and an all-student Mixer and Street Dance. Wednesday was the big day when classes began and we gathered for the Annual Watermelon Feed. Thursday night was highlighted by the Organizational Fair, which gave new and returning students a chance to get acquainted with the organizations on campus. Friday's activities included the Campus Ministry Volleyball Games, followed by a

movie for students who stayed for the weekend. To complete the events of New Student Days, Scorpio Productions provided entertainment two weeks later.

As chairperson of the committee, would like to thank the entire committee, the RAs, the Student Government Association, the Student Development Office, faculty, staff, and administration, and everyone else who helped with New Student Days. Without the help of each and every individual New Student Days would not have turned out as success as it did!!!

Resident Assistants

Working closely with the Student Development Office, Resident Assistants are employed to be leaders and provide initiative to fellow students. Living in the dorms, RAs on each floor are responsible for managing floor activities and stimulating and maintaining floor cohesiveness.

Twenty RAs were hired for the 1986-87 school term. Those in Aitchison Hall were: Kathy Berns, Tammy Black, Sue Dziekanowski, Lori Kelchen, Brenda Krumviede, Jane Matthews, Patty McMahon, and Brenda Perkins. Cassat Hall RAs were: Jamaal Awang Ahmad, Kevin Brehm, John Collins, Gil Korthals, and Frank Peterson. Student Government Association

The Student Government Association represents the student body's concerns to the administration, faculty, and board members. They appropriate money to groups and give input on rules and policies for the University of Dubuque.

The SGA budget is divided among several groups. Two of the subcommittees funded by SGA are the New Student Days committee and the Student Activities Board. The "Key" and "Que" are also funded through SGA, and partial funding is provided for a variety of other organizations.

SGA consists of 22 officers and representatives, and an advisor, Rick Nelson. This year's executive officers were:

Mike Green, President

UD Spartan Skiers

The UD Spartan Skiers are a new ski club on campus this year whose members share a common interest in downhill skiing.

Activities of the group included a ski clinic which gave members the opportunity to learn about the factors to consider in the purchasing and care of ski equipment. Members of the group also attended Sundown's Open House on November 9, 1986. This gave them a chance to explore Dubuque's own skiing facility. The highlight of the year was a ski trip to Afton Alps in Minnesota February 6-8, 1987. Participants in the Afton Alps trip enjoyed two days of skiing, while spending two nights in St. Paul. Officers for 1986-87 were: Karla Kaiser, president; Tom Brown, vice president; Leiane Pope, secretary-treasurer; and advisors John Duba, Lisa Evitts, and Norm Loll.

The goals of the Science Club are to familiarize students with the privileges and responsibilities of the science profession and to provide members with the opportunities to become acquainted with leaders in the science professions.

The highlights of this year's activities included the "Kiss-the-Pig" Contest, a trip to the Cahokia Indian Mounds near St. Louis, Missouri, and cave exploring.

The officers of the Science Club are: President, John Praska; Vice President, Kim Sass; Secretary/Treasurer, Linda Sass. Dr. Robert Miller is the advisor for the club.

Alumni Association

The University of Dubuque Alumni Association enjoyed a year of increased activity with a new fulltime Alumni Director. We started the year with a successful Aloha Homecoming and during the year celebrated reunion events in Dubuque, Chicago, and Minneapolis. During the holidays we held an art showing reception in Chicago for an alumnus artist and then, in Dubuque, alumni enjoyed a 50's party and hula hoop contest. We cheered for our talented UD students at the performance of "Grease" in February. Our nursing alumni planned a reunion for National Nurses Day and our Special Events group planned a spirit raiser golf outing for May.

The Annual Alumni Phonathon was highly successful. Our UD student telemarketers called over 5,000 alumni bringing in pledges of over \$80,000 for scholarships.

The first Career Day held at UD was helpful for students and alumni felt so good about assisting students with advice on career opportunities that we'll do it again next year.

"UD to You" tells all about campus and alumni events. It's the official alumni publication read by thousands of alumni all over the world.

The Alumni Association members welcome the graduates of 1987 to our growing, fun-loving organization. Our message to all UD students is: Get involved on campus to enjoy your education, stay involved as alumni to enjoy our future together.

The membership pledge is: "I pledge myself to uphold the purposes of Alpha Chi, striving to make its ideals my

ideals in scholarship and in service."

Alpha Chi seeks to promote the genuine personal worth of each individual. The motto of the Society is, "Ye shall know the truth, and the truth shall make you free." John 8:32. At the Valentine's Day Dance, BACCHUS gave students the opportunity to take a breathalyzer test. The final

activity of the year was a dinner prepared by BACCHUS and the cafeteria to increase student awareness of the organization. There were games, prizes, posters, and a non-alcoholic bar.

The Zeta Phi sorority was founded on May 2, 1923. The colors chosen were blue and silver with the sunburst rose as our flower. The motto which represents our sorority is "We are as ONE."

We participate in many social and service activities throughout the year. The events include the Organizational Fair, car washes, and Homecoming. The fall months bring the informal and formal rush parties. The parties help us get to know better those interested in the Greek system, and helps them to find out what we are all about. The semester is then ended with a Christmas formal.

The spring months find us busy

with Initiation Week activities. We also take part in the volleyball marathon to raise money for the March of Dimes. Our last activity of the school year is our Spring formal.

The Zetas also enjoy many social gatherings with our brother fraternity, Phi-Omicron. We also reunite for a summer reunion; last summer our reunion was in the Wisconsin Dells.

We presently have 11 active members, five of whom are graduating. Our graduating members are: Julie Henderson, Iris Lee, Emili Nove, Tammy Tuchel, and Melissa Wittstock.

Our advisors are Lisa Evitts, Deb Knoke, and Nan Rebholz.

The Delta Phi Sigma sorority, founded in 1919, is the oldest sorority on campus.

We participate in many activities throughout the year. These events include the Organizational Fair, car washes, and Homecoming. This year the Deltas and our brother frat, the 13ers, sponsored an All-School Halloween Party and worked at the Finley Hospital Halloween Party. We also have a hayride, informal rush party, and a Christmas party.

Our second semester is kept busy with a Formal Rush Party held for those girls wishing to learn more

about sororities, a Ramada Party, Hell Week Activities, and Greek Weekend. We also take part in a volleyball marathon to raise money for the March of Dimes. Our last activity of the year is our Spring Banquet and preparing for our summer reunion.

The Delta Phi Sigma sorority currently has 18 active members. Our motto is "Through thick and thin," and our traditional colors are rose and mint green, but around campus we can be seen wearing red and white.

One of the Greek Council activities is to help plan Initiation Week. This year the total pledges in the fraternities and sororities numbered over

sixty. During pledge period, the Greek Council also organized a twenty-four hour volleyball marathon. This year the pledges raised about \$700.00 for the March of Dimes.

To end the year, Greek Weekend was held. All Greeks had the opportunity to get together, relax, play softball and volleyball, and enjoy a cookout at Swiss Valley.

Women's Volleyball

The University of Dubuque volleyball team had another winning season with a 25-19 record. The Spartans compiled their sixth consecutive winning season and their second straight under Head Coach Karen Ruder. UD finished in sixth place in the Iowa Conference with a 7-9 record.

Coach Ruder feels this season was an improvement over last year, although it was frustrating at times. The Lady Spartans began the season as strong challengers but hit a mid-season slump. Eventually they bounced back to win ten straight games.

The Spartans will return nine players next year, but will be losing four very valuable seniors: Jean Bonaccorsi, Colleen Finn, Linda Mannon, and Emili Nove.

FOOTBALL...

Another Rough Season

The University of Dubuque Spartans opened the 1986 football season with a young team. It featured 37 new players on a 48-member roster.

The Spartans first five games were against three of the Top 10 teams in Division III play. The first Spartan victory came when UD beat Upper Iowa for the Homecoming match-up on October 11. The teams' final victory came on Parents Day when the Spartans overcame the Simpson Redmen 27-14. This win placed the UD Spartans seventh in conference play.

The 1987 Spartan team will return almost all of its players, although Coach Myron Smith ended his career with the Spartans at the close of the 1986 season.

After losing four starters off their Iowa Conference championship and nationally ranked 1985-86 team, this year's edition of the UD Spartan basketball team had big shoes to fill and were expected to have a rebuilding year.

But the 1986-87 season was another success as the local men made a run for the league title before finishing second and posting their third straight winning season with a 17-10 record. Head Coach Jon Davison, completing his 21st season, watched his new squad take some lumps early but by the end of the year saw a well-drilled team win its last five games. After dropping its first three conference games the Spartans won 10 of their last 13 for a 10-6 league mark, good for a second-place tie with William Penn and Central. Wartburg won the conference with a 12-4 mark but were beaten 60-56 by UD the last game of the season. Dubuque and Wartburg tied for the most overall wins in the conference with 17 each.

In what Davison called "one of my most pleasing seasons ever," Dubuque began the year with question marks but ended with plenty of answers. Next season the Spartans will go for their fourth straight winning season as they return four of five starters.

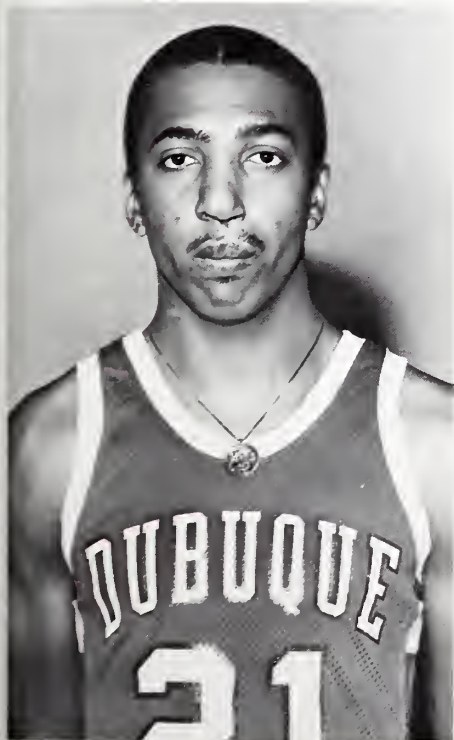

Leading the team this year was junior guard Todd Millon of New Orleans. The first team All-Conference pick averaged 20 points a game and added five rebounds and five assists per outing to draw attention as a NCAA Division I All-American. Millon finished third in the conference in scoring with a 19.1 average and will be the leading candidate for most valuable player honors in the IAC next year. He is also just 79 points shy of becoming only the 12th player to score 1,000 career points at UD.

First Year Head Coach Tom Barnes

ABOVE: Junior Dawn Laubach goes for a shot as a defender threatens.

Tom Barnes' first year as head coach of the UD's women's basketball team was a rollercoaster ride as the Lady Spartans had their share of peaks and valleys in 1986-87.

Dubuque finished with a 9-17 record and for the third straight year won five games in the Iowa Conference against 11 losses. But there were plenty of season highlights as the Lady Spartans crowned a new all-time scoring champion and played the spoiler role in the league on a number of occasions.

Dubuque started the season with a 4-4 record but were hit by bad luck in losing 13 of its last 18 contests. The team lost two of these contests in overtime and four others by six points or less.

On the bright side, the Lady Spartans finished the season by winning their last two ballgames and also downed conference champion William Penn in a 71-70 thriller at McCormick Gymnasium. It was one of just three losses for the Statesmen in league play. Dubuque also upset third-place Loras 52-46, giving their crosstown rivals their first league loss of the season.

Individually the Lady Spartans were led by two of the most prolific players in the conference. Senior forward June Salow and junior guard Penny Wehrs were a dynamic one-two punch for the Lady Spartans. Dubuque was the only team to have two of the top eight scorers in the league as Salow finished sixth and Wehrs eighth. Salow averaged a team high 15.7 points and 6.9 rebounds a game and, in February 1987, became the all-time leading scorer in UD women's basketball history. She finished her career with 1,291 points. She is also third in career rebounds (559) and assists (261). Both Salow and Wehrs were honored as second team All-Conference picks, a repeat honor for Salow.

Salow will not be the only starter missing for the Lady Spartans next year. Also graduating are center Linda Mannon and forward Colleen Finn. Mannon was a two-year letterwinner who averaged six points and five rebounds an outing. Finn played her first year of college basketball and instantly became a starter with an 11 point and five rebound average.

Wrestling

The Spartan wrestlers gained respectability in 1987. Fielding an entire lineup for most of the season, they matured into a tough outfit heading into the Iowa Conference meet and came away with their highest league finish since 1971. UD was the surprise of the tournament as the local grapplers finished fourth behind perennial powers Buena Vista and Central and cross-town rival Loras. Dubuque accumulated 61 points, its highest total since 71 points back in 1969, and had five wrestlers finish fourth or better.

The Spartans have a bright future ahead as just one starter graduates. All four top conference place winners were freshmen or sophomores.

Dubuque had three wrestlers finish with 25-plus wins in 1987. Sophomore Dan Francescon led the team with 28 wins against 14 losses. Francescon finished third at the conference meet and has 44 wins in his first two years at UD. Also having big seasons were sophomore James Pleasant and freshman Keith Lucy. Pleasant finished the year 27-16 and was the highest place winner at the conference meet with a second-place showing. Lucy was 26-14 with 12 pins and finished third at conference.

Baseball

The University of Dubuque baseball team ended its season with a disappointing 14-28-1 overall record and a 5-13 mark in the conference. Serious title contenders at the start of the season, the Spartans hit a late-season slump that eliminated them early from the championship race.

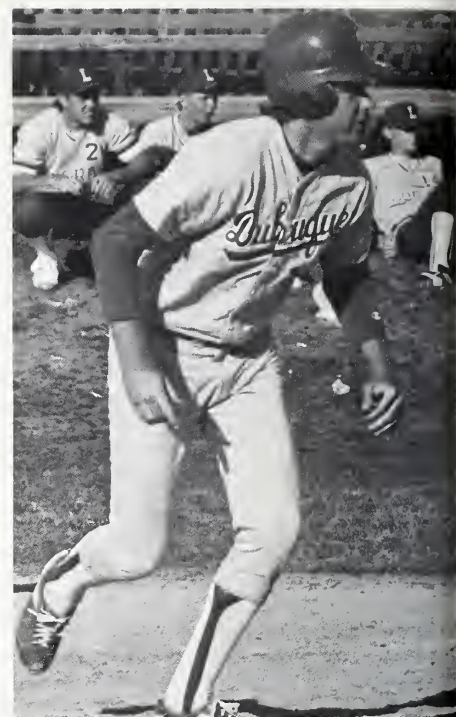

Some notable individual performances highlighted the 1987 season, including the final year of seniors Jerry Brooks, Dennis Bradley, and Tim Fairchild. Bradley led the team in hitting with a .329 average and also topped the club in at-bats, hits, and runs-batted-in. He ended his college career with four career school records, including at-bats (354), hits (112), runs-batted-in (69), and stolen bases (19).

Brooks had a standout two-year

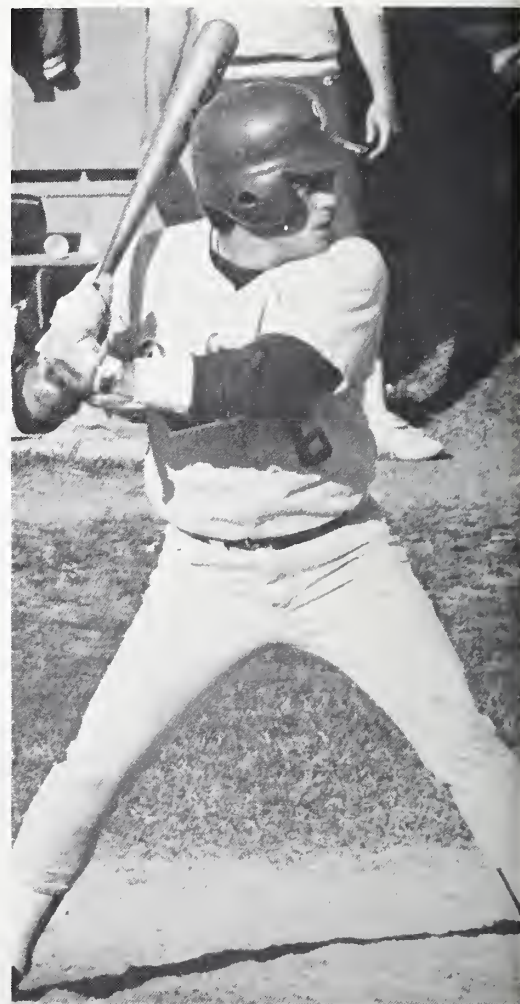

stint as a Spartan after spending his first two years at a junior college. He hit .321 over the course of the season with a team-high 28 runs and 14 double, the latter a school record. Despite playing just two seasons, he holds the school records for career doubles (23) and runs (67).

Fairchild, who had a pitching record of 2-6 with an earned-run-average of 4.52, finished his career third in the record books in games pitched, innings pitched, and wins.

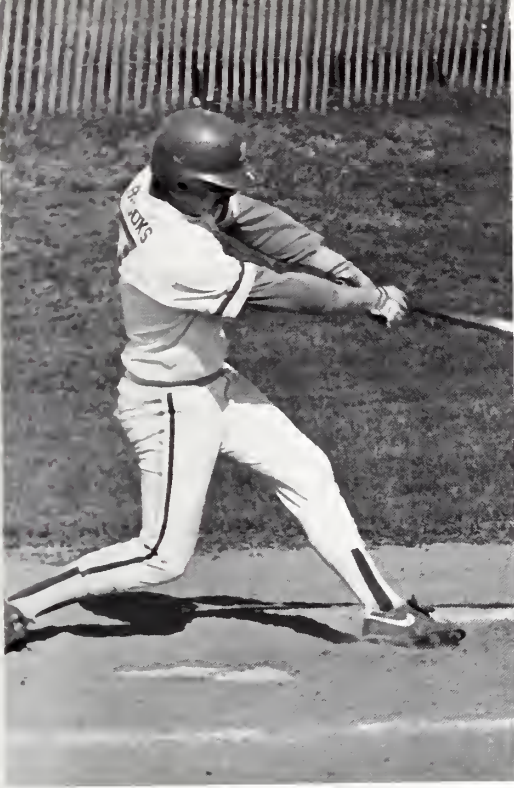

Other newsworthy accomplishments of 1986-87 included single-season records by Tom Potts (stolen bases, 14), Terry Lambert (walks, 30), and Steve Bercier (1.75 earned-run-average).

Softball

The Dubuque softball team showed improvement in 1987 but were able to manage just a 5-24 overall record and 1-12 mark in the conference. Four games were lost by two runs or less. A highlight of the season was a doubleheader sweep over the University of Wisconsin-Platteville.

Seniors playing their final season at UD included third baseman Shirley Neumann, outfielder Karen Runyard, and catcher/first baseman Colleen

Finn. Neumann led the team in hitting with a .235 average and became the school's all-time career leader in at-bats (274) and hits (53).

The pitching duties were once again shared by sophomores Missy Luerssen and Michelle Speilbauer. Speilbauer won three games while Luerssen picked up two victories. Two of Dubuque's five victories came during the spring trip to Orlando, Florida.

"Grease" is a rollicking Broadway musical by Jim Jacobs and Warren Casey saluting the 1950s rock n' roll era. The story of Rydell High's spirited class of '59 captures the look and sound of the era as it sings and dances its way through nostalgic scenes.

Dennis Williams, associate professor of music, produced and served as musical director of UD's spring production of "Grease." Mr. Williams was assisted by Mark Brockmeyer as technical director and set designer, and Carole Ryan Sullivan as stage director and choreographer.

Convocation Series

Alumni Phonathon

The University of Dubuque Annual Alumni Appeal began with a letter asking alumni for support of the once-a-year alumni fund drive. The 1987 campaign again focused on scholarships for UD students. Those not responding to the appeal letter received a call from a current UD student during the phonathon which began on March 16, 1987.

Alumni Director Louise Welp was enthusiastic about this year's phonathon. She was able to announce total pledges of over \$80,000 to the student telemarketers by the phonathon's completion on April 9. The \$20,000 Templeton Challenge, which offered to match gifts from alumni who had never given before, was an important boost to this year's appeal.

Black Awareness Week

The Black Presidium of the University of Dubuque presented its 14th Annual Black Awareness Week February 9-15, 1987. This year's theme was "We've Only Just Begun."

Special events were featured each day beginning February 9 with the movie "Crossroads," which was shown in the Student Union.

The Rev. Edgar E. Boyd delivered the keynote address for Black Awareness Week 1987 during the college chapel

service on Tuesday, February 10. The Rev. Boyd is currently serving as pastor of Bethel African Methodist Episcopal Church in Los Angeles. He received his Master of Divinity degree from the University of Dubuque Theological Seminary.

The following evening the movie "Jo Jo Dancer," starring Richard Pryor, was shown, also in the Union.

On February 12, Niambi D. Webster performed a tribute to three black

women: Sojourner Truth, Harriet Tubman, and Mary McLeod Bethune, at Westminster Presbyterian Church. A native of Batesville, Arkansas, Webster is the recipient of an Iowa Arts Council Touring Performing Artist Grant and was recently cited as Outstanding Woman by the NAACP Women's Convention for her contributions in the arts.
